

Terms of Service

Effective date: 7 September 2026 · Version 1.0

Draft template notice: This document is a standard draft Terms of Service for the Scale2global website, prepared from publicly available information about the business. It has not been reviewed by a qualified lawyer. Please have it reviewed by legal counsel — particularly the liability, IP and governing-law sections — before publishing it, and note that it governs use of the website only; actual advisory engagements should be governed by a separate signed engagement letter or services agreement.

1. Acceptance of These Terms

These Terms of Service ("Terms") govern your access to and use of the website located at scale2global.pl (the "Website"), operated by Scale2global Sp. z o.o., with its registered office at ul. Bajeczna 4, lok. 4, 03-681 Warsaw, Poland, entered in the National Court Register (KRS) under number 0000588079, EU VAT ID PL9512401675 ("Scale2global", "we", "us"). By accessing or using the Website, you agree to be bound by these Terms. If you do not agree, please do not use the Website.

2. Nature of the Website

The Website is provided for general informational purposes to describe Scale2global's technology commercialization and EIC funding advisory services, our track record, and our founder's background, and to allow prospective clients to make initial contact with us.

Nothing on the Website constitutes a binding offer to provide services, a guarantee of any particular outcome (including the outcome of any EIC Accelerator or other grant application), or professional, legal, financial, tax or investment advice. Any advisory engagement between you and Scale2global will only come into existence once both parties have signed a separate written engagement letter or services agreement, the terms of which will prevail over these Terms in the event of any conflict.

3. Eligibility and Business Use

The Website is intended for use by businesses, founders and organisations evaluating our advisory services, and is not directed at consumers. By submitting an inquiry, you confirm that you are at least 18 years old and authorised to submit the information provided on behalf of the organisation named in the form, where applicable.

4. The Contact / Inquiry Form

Submitting the inquiry form on the Website does not create any contractual relationship, engagement or obligation on either party. We aim to respond within two business days, but this is a service target, not a binding

commitment, and response times may vary. We reserve the right to decline to engage with any inquiry at our sole discretion, including where we assess that the probability of a successful outcome (such as an EIC award) is unreasonably low.

5. Intellectual Property

Unless otherwise indicated, all content on the Website — including text, graphics, logos, the "Scale2global" name and mark, layout and design — is the property of Scale2global or its licensors and is protected by Polish and international copyright, trademark and other intellectual property laws. You may view and print pages of the Website for your own personal, non-commercial reference. You may not reproduce, distribute, modify, publicly display, create derivative works from, or otherwise exploit any content from the Website for commercial purposes without our prior written consent.

Client names, logos and testimonial excerpts referenced on the Website are used with permission and remain the property of their respective owners.

6. No Guarantee of Funding or Outcomes

Scale2global does not and cannot guarantee that any application, strategy or engagement will result in EIC funding, any other grant, investment, or a successful commercial outcome. References on the Website to historical client work, statistics or success rates describe past engagements and are not a prediction or guarantee of future results. The EIC Accelerator, and grant funding generally, is a competitive process with no assured outcome regardless of the quality of advisory support received.

7. Third-Party Links and Services

The Website may reference or link to third-party websites, tools or resources (including the EIC programme's own materials) that we do not control. We are not responsible for the content, accuracy, or privacy practices of any third-party site, and inclusion of a link does not imply endorsement.

8. Disclaimer of Warranties

The Website and its content are provided on an "as is" and "as available" basis, without warranties of any kind, whether express or implied, including implied warranties of merchantability, fitness for a particular purpose, non-infringement, accuracy or availability, to the fullest extent permitted by applicable law. We do not warrant that the Website will be uninterrupted, error-free or secure.

9. Limitation of Liability

To the fullest extent permitted by applicable law, Scale2global Sp. z o.o. shall not be liable for any indirect, incidental, special, consequential or punitive damages, or any loss of profits, revenue, data or business opportunity, arising out of or in connection with your use of, or inability to use, the Website, even if we have been advised of the possibility of such damages. Nothing in these Terms excludes or limits liability that cannot be

excluded or limited under mandatory Polish or EU law, including liability for death, personal injury, fraud or wilful misconduct.

10. Indemnification

You agree to indemnify and hold Scale2global harmless from any claims, damages, liabilities and expenses (including reasonable legal fees) arising from your misuse of the Website or your violation of these Terms, to the extent permitted by applicable law.

11. Changes to the Website and These Terms

We may modify, suspend or discontinue any part of the Website at any time without notice. We may also revise these Terms from time to time; the "Effective date" above reflects the date of the most recent revision. Continued use of the Website after changes take effect constitutes acceptance of the revised Terms.

12. Governing Law and Jurisdiction

These Terms are governed by the laws of the Republic of Poland, without regard to conflict-of-law principles. Any dispute arising out of or relating to these Terms or your use of the Website shall be subject to the exclusive jurisdiction of the competent courts for the city of Warsaw, Poland, unless mandatory consumer-protection law applicable to you provides otherwise.

13. Severability

If any provision of these Terms is found to be invalid or unenforceable, that provision will be limited or eliminated to the minimum extent necessary, and the remaining provisions will remain in full force and effect.
